

**Liquidator's Final Report**  
*pursuant to section 257 of the Companies Act 1993*  
**to the Creditors and Shareholders of**  
**Car Tech Limited (In Liquidation)**

Gerard Hulst was appointed Liquidator of the above company by order of the High Court at Auckland on the 14<sup>th</sup> day of September 2000.

**Actions of the Liquidator**

The first report to creditors was dated 19 October 2000.

I have followed up all outstanding issues and report as follows:

1. The amount owing from Cielo Alto Marketing Limited was \$1,715.00. The Director of that company is Duncan Hedges and he proved to be very elusive. At the date of my appointment he had ceased to trade Cielo Alto Marketing Limited and the premises at Ben Lomard Crescent was vacant. I concluded that it was not economic to pursue the debt.
2. As the liquidation had no funds, a full investigation into the affairs of the company and the Director was not possible. From the information available I concluded that it was not economic to bring any actions against the Director.

**Statement of Realisations and Distributions**

*pursuant to s257 of the Companies Act 1993*

There were no Realisations and Distributions during this liquidation.

**General Comments**

The liquidation of the company is now complete and the Liquidator states:

1. All known assets have been disclaimed or realised or distributed without realisation, and
2. All proceeds of realisation have been distributed, and
3. A statement of Realisation and Distribution is included in the report.
4. The company is ready to be removed from the New Zealand Register.

All creditors or shareholders may send or deliver to the Registrar, not later than the date to be specified in the Notice, 31 August 2002, an objection to the removal on any of the grounds in section 321 of the Companies Act 1993 which in summary are; there is some current activity being undertaken by the company, or it is a party to legal proceedings, or it would not be just and equitable to remove the company from the Register.
