to the Creditors and Shareholders of

City Drainage Limited (In Liquidation)

Gerard Hulst was appointed Liquidator of the above company by order of the High Court at Auckland on the 15th day of February 2001.

Actions of the Liquidator

The first report to creditors was dated 7 March 2001.

I have followed up all outstanding issues and report as follows:

1. I have received and reviewed the bank statements and cheque butts of the company and conclude that there are no voidable transactions within the two year restricted period.
2. During the period 11 December 1997 to 26 June 1998 Ted Whittaker used company resources to enter into 35 separate contracts totalling \$14,480.45 for his own benefit.
3. Mr. Whittaker has no means by which to make any reparations and any action against the Director would not be commercially viable.
4. On 28 February 2002 I deemed \$14,480.45 as a dividend to Edward Richard WHITTAKER for the year ending 31 March 2001.
5. There is no financial benefit in continuing with the liquidation.
