Liquidator's Final Report
pursuant to section 257 of the Companies Act 1993

to the Creditors and Shareholders of

Mobile Communication Systems Limited (In Liquidation)

Gerard Hulst was appointed Liquidator of the above company by order of the High Court at Auckland on 13 August 1998.

Actions of the Liquidator

The first report to creditors was dated 9 September 1998.

I have followed up all outstanding issues and report as follows:

1. Legal action was taken against six creditors for the recovery of voidable preferences for the six month period prior to liquidation. Settlements were negotiated with all parties.
2. The funds recovered allowed the liquidator to pay the Inland Revenue Department its petitioning creditor's costs and disbursements as well as a percentage of its preferential claim for unpaid taxes.
3. Considerable time and effort went into challenging the receivers' priority of payments to debentureholders.
4. The liquidator sought a legal opinion concerning possible actions against the receivers. The cost of bringing the issue to trial is considered to be uneconomic.
5. There is no financial benefit to creditors in continuing the liquidation.

Statement of Realisations and Distributions

pursuant to s257 of the Companies Act 1993

A Statement of Realisations and Distributions is attached.

General Comments

The liquidation of the company is now complete and the Liquidator states:

1. All known assets have been disclaimed or realised or distributed without realisation, and
2. All proceeds of realisation have been distributed, and
3. A statement of Realisation and Distribution is attached.
4. The company is ready to be removed from the New Zealand Register.
