

**Liquidator's Final Report**  
*pursuant to section 257 of the Companies Act 1993*

**to the Creditors and Shareholders of**

**Optec NZ Limited (In Liquidation)**

Gerard Hulst was appointed Liquidator of the above company by special resolution of the shareholder on 19 February 2001.

**Actions of the Liquidator**

The first report to creditors was dated 2 March 2001.

I have followed up all outstanding issues and report as follows:

1. The securing of the assets was delayed because the Director moved premises. The assets were collected and sold by auction.
2. The shareholder's current account has a credit balance.
3. The Director has no personal assets so I could not justify the costs of an investigation into the affairs of the company as there would be no commercial gain to the creditors.

**Statement of Realisations and Distributions**

*pursuant to s257 of the Companies Act 1993*

Realisations

Sale of Assets	<u>\$1,244.04</u>

**General Comments**

The liquidation of the company is now complete and the Liquidator states:

1. All known assets have been disclaimed or realised or distributed without realisation, and
2. All proceeds of realisation have been distributed, and
3. A statement of Realisation and Distribution is included in the report.
4. The company is ready to be removed from the New Zealand Register.

All creditors or shareholders may send or deliver to the Registrar, not later than the date to be specified in the Notice, 31 August 2002, an objection to the removal on any of the grounds in section 321 of the Companies Act 1993 which in summary are; there is some current activity being undertaken by the company, or it is a party to legal proceedings, or it would not be just and equitable to remove the company from the Register.
