## OBSERVATIONS

The company operated as a prepress graphic design company.

One of the directors of the company, Chris Money, advised that the nature of the business changed fundamentally with the introduction of computers and digital technology. The company had too simple a structure for the business the company was moving into. The action taken was to move the business into Origination Group Limited and cease trading in 1994.

The IRD has confirmed that its debt is based on an actual tax return for the year ended 31<sup>st</sup> March 1997.
